

THE HOPE FOUNDATION

Because answers to cancers come from clinical trials

Program Proposals – Funded Examples

SWOG Leadership Academy

A three-year mentorship program to prepare promising young investigators to successful careers within SWOG and the National Clinical Trials Network.

SWOG Grant Writing Workshop

A virtual program designed for SWOG investigators preparing future grant submissions.

SWOG Committee Funds for Group Meetings

A program funding annual committee efforts at group meetings which are not currently supported by the NCTN or NCORP grants.

Translational Medicine Mini-Retreat

A spring 2017 event featuring short talks on the latest in TM research, as well as round-table discussion.

Palliative Care Symposium

A spring 2017 event featuring presentations on clinical care delivery models, medical ethics, oncology faculty training, and palliative care interventions.
